

PRUNING WORKSHOP for gardeners

Learn the difference between tip, semi-hardwood & hardwood pruning techniques, how to prune roses, a 3 step cut and hedging.

Tool identification and the importance of using the right tool for the job will be covered.

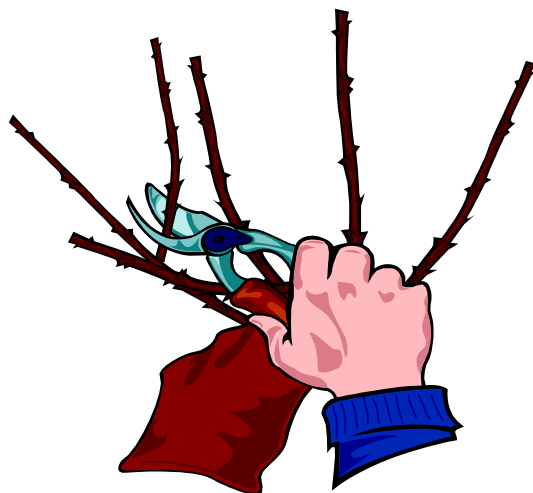

An opportunity to ask all of your pruning questions, or bring along some plant photos if you need some advice. This workshop will involve theory and practice.

Date: Thursday 22nd September 2016

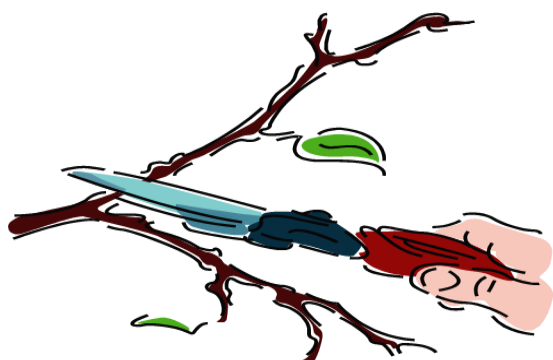

Time: 1.30 pm to 4.30 pm

Venue: The Cottage,
28 Croydon St,
Lakemba.

Presenter: Emma Daniell,
Natural Touch Landscape

NOTE: This is a practical workshop, please wear closed in shoes.

Light refreshments will be provided.
