

English & Digital Skills

Learn English. Use technology. Connect with confidence.

4Cs - Main Centre

23rd April - 25th June 2026

Sydney Community College | RTO 90054

Course overview

This 10-week program supports learners to build confidence in everyday English and essential digital skills. Participants develop practical speaking, listening, reading, and writing abilities while learning to use smartphones, laptops, and common apps for real-life situations. The course focuses on communication, online safety, forms, appointments, and basic financial literacy in a friendly, supportive, learning environment.

Enrolment Day

Monday 30th March 2026

9.30am

4Cs - The Cottage
28 Croydon Rd, Lakemba

Key benefits

- ✓ Communicate using everyday English
- ✓ Read and respond to simple texts/messages
- ✓ Complete basic forms
- ✓ Send messages & emails
- ✓ Use apps for appointments & calculations
- ✓ Demonstrate safe digital practices
