

CHC30125 CERTIFICATE III IN EARLY CHILDHOOD EDUCATION & CARE

***Subsidised
Training
Available**

Kickstart a rewarding career in Child Care with our comprehensive course. Learn from experienced educators about early childhood development, safety, and educational play.

Prepare to make a positive impact in children's lives.

Macquarie Community College a leading provider of adult education since 1950, can help you take the first step in getting the career you have always wanted.

This course provides you with the knowledge, skills and qualification to work with children in a variety of roles in early childhood settings such as preschools, long day care services, after school hours care and family day care.

If you have a love for children and are wanting to make a meaningful impact on their development, choosing a career in Child Care may be a great move for you! As the Australian Child Care industry continues to grow, it is proving to be one of the safest and most rewarding career options to choose from today.

Upon completion of the CHC30125 Certificate III in Early Childhood Education and Care, you may be able to undertake roles such as:

- Early Childhood Educator
- Family Day Care Educator
- In home care Educator
- Out of School Hours (OOSH) Educator
